

Castell- Castell Silvaner Trocken 2017

Producer

The Castell family owns 70 hectares of the finest franconian vineyard sides. The majority is the white variety Silvaner. The terroir is characterized by a continental climate and gypsum skeuper soil, which gives the wines their spicy, strong note.

Vintage report

Following a dry winter and spring time the shooting of the vines started already in April, but it was suddenly disrupted by night frost up to minus 6° C in April. At the end of August an early crop could be envisaged, and indeed they started harvesting the early varieties already on September 7, very early compared to the preceding years.

Characteristics

-  fruity with a scent of pear, meadow herbs and animated passion fruit
-  harmonious and well-balanced on the palate, fresh and mineral finish
-  light cuisine, salads, white meat, poultry and fish dishes
