

Berncasteler Doctor Riesling Auslese 2018

Producer

The famous wine estate Joh. Jos. Prüm was founded in 1911 in Wehlen, on the Mosel. It is one of the most unique white wine producers in Germany.

Vintage report

2018 was a climatically unusual year, with lots of sun from spring to autumn. It seemed like summer would never end when temperatures showed 27 ° C, even in October. The high temperatures made the harvest, which started on September 17th, earlier than ever. Due to hardly any rain, they had a long picking period and were able to harvest healthy, ripe, golden shining grapes that promise a very attractive 2018 vintage.
