

Graacher Himmelreich Riesling Auslese Gold Cap 2009

Producer

The famous wine estate Joh. Jos. Prüm was founded in 1911 in Wehlen, on the Mosel. It is one of the most unique white wine producers in Germany.

Vintage report

A remarkably cold winter with strong frosts in January down to minus 18° C led to a rather late awakening of nature. High temperatures in April caused the budbreak. Summer was shaped by a mixture of sunny and dry days with a little rain. October brought excellent temperatures for harvest, which started on October 15th and finished on November 13th. The grapes harvested were predominantly of good Spätlese and Auslese quality, but there will also be a smaller amount of Kabinett produced. Additionally, some grapes were affected by botrytis to produce Goldcap, BA and even TBA. In the week before Christmas, vintage 2009 was crowned with the possibility to harvest Eiswein.
