

Blumenwiese rosé 2018

Producer

No architect, no painter can create something as beautiful and original as a flower meadow, which is unique in its variety of colors and shapes. With the flower meadow we take up the desire for nature, peace, originality and inspiration.

Artists

Kein Architekt, kein Maler kann so etwas Schönes und Ursprüngliches wie eine Blumenwiese erschaffen, die in ihrer Vielfalt an Farben und Formen einzigartig ist. Mit der Blumenwiese greifen wir den Wunsch nach Natur, Ruhe, Ursprünglichkeit und Inspiration auf. In allen drei Weinen der "Blumenwiese" versammeln sich verschieden, ursprüngliche, deutsche Rebsorten, von denen jede ihre Stärke und ihren eigenen Charakter hat.

Vintage report

A very early flowering thanks to the warmest April on record led to expectations of an early harvest. However, the hot and dry, sunny summer served as an additional ripening accelerator. The settled weather conditions continued into harvest, allowing many grapes to stay on the vine right up to October and partly to November. The drought did present major challenges for growers in some locations and the steeper vineyards had to be partly irrigated. However, the Rheinhessen growers were overall pleasantly surprised with the performance of their vines.
