

Pinot Noir dry 2020

Producer

The young, dynamic family owned estate has its roots in the wineregion Palatine. On 20 hektar, they are cultivating mostly Riesling, Pinot Blanc and Pinot Gris

Vintage report

The harvest began at the end of August and was done in just under five weeks, yet we did not feel rushed at any time. The weather was excellent: dry and often sunny. With no disease pressure, the healthy grapes were able to develop plenty of aroma, so wine lovers can look forward to a 2020 vintage of powerful reds and fruit-driven white wines with little more acidity than the previous vintage. Conclusion: We are completely satisfied with the harvest, both regarding quality and quantity!

Characteristics

 dark fruits

 sour cherry, blackberry

 red meat

Facts
