

## Riesling dry 2021

### Producer

The young, dynamic family owned estate has its roots in the wineregion Palatine. On 20 hektar, they are cultivating mostly Riesling, Pinot Blanc and Pinot Gris

### Vintage report

Last year's extreme weather condition, frequent with rains in the early summer and followed by downy mildew, resulted in noticeably lower yields. Nevertheless, the Krebs Estate stuck to their organic philosophy and working method. A sunny September brought up to 45% more sunshine hours than average which made the 2021 wines rich in fruit, accompanied by a fresh, lively acidity.
