

## Adonis Wiltinger Rosenberg Dry Riesling 2021

### Producer

The passion for viticulture was already laid in the cradle of the two brothers Stephan and Michael Weber by the Wiltinger grandparents. Initially, both brothers took different professional paths, but the care and maintenance of the grandparents' vines was never absent. Studies at the renowned Geisenheim University of Viticulture helped to turn the hobby into a vocation. And so, in 2011, the first of their own wines was bottled.

### Vintage report

2021 vintage showed up from its wet side. Winter precipitation was refilling water reservoirs. Cold conditions in March and April delayed the bud burst. These wet conditions brought a highly beneficial effect on the vigour of the suffering vines of the last years. Therefore, unfortunately, the risk of fungal diseases was quite high. Harvest started October 7th and ended October 26th. Due to overall high acidities, they started with a negative selection in all blocks for the healthy grapes to reduce their malic acid through further sunlight exposure and increasing ripeness. Indigenous fermentations went well and were very efficient also within the dry tasting profile wines. Aromatics are also authentic for our Terroir. This vintage will represent our „Saar-region“ quite authentically.

### Characteristics

 salty, green apple

 mineral, well-integrated acidity structure

 seafruit, smoked sausage

### Facts

Grape Variety	Riesling
Terroir	Wiltinger Rosenberg, slate soil
Appellation	Saar
Vinifikation	spontaneous fermentation, ageing in stainless steel

Alcohol	Residual Sugar	Acidity
12.5 %vol	8.5 g/l	7.5 g/l

Art.No. WB1-21
