Schloss Castell Pinot Noir

Schloss Castell Pinot Noir dry 2020

Producer

The Castell family owns 80 hectares of the finest franconian vineyard sides. The majority is the white variety Silvaner. The terroir is characterized by a continental climate and gypsum skeuper soil, which gives the wines their spicy, strong note.

Vintage report

A dry and mild winter led to a warm spring and early bud break with unfortunately some uncomfortable cold nights and frost in May. But good conditions in summer with also some rain came to an early harvest, starting in the beginning of September. Warm days and cold nights have been perfect for the aroma ripening. Very happy about healthy and stable in terms of acidity, we taste now very well balanced, developable wines with a high maturing potential.

Characteristics

 Pleasant aroma of sour cherries and dried fruit on the nose.

 well integrated, elegant acidity with hints of dark chocolate and cinnamon plums.

 burgundy roast, boar
