

## Lemberger Qualitätswein dry 2020

### Producer

The Neipperg family owns 32 hectares located in the wineregion Württemberg, which are divided in three monopole sites: Neippberger Schlossberg, Schwaigerner Ruthe and Klingenberger Schlossberg.

### Vintage report

The 2020 vintage has very good qualities in our country and a slightly below-average harvest.

Thanks to the sunny and dry late summer, we had harvested very ripe and very healthy grapes, which were also perfectly colored in the red wine area. The first white wines in the barrel are correspondingly aromatic and extremely fruity, and the red wines show great potential.

### Characteristics

 black berries, cherries, cinnamon.

 powerful with good structure, savory but balanced tannins, long finish.

 hearty dishes, Mediterranean grilled meats, goat cheese

### Facts

Grape Variety	Lemberger
Terroir	From neighboring top sites, a typical Lemberger that reflects the unique terroir of the region. Keuper soil, south-facing slope
