

## Red Riesling off-dry semidry 2022

### Producer

The Estate Baron Knyphausen is known as a Riesling pioneer and cultivates 17 hectares in the Rheingau region

### Vintage report

The year began with a mild winter, which was followed by an equally mild spring. The rainfall up to March ensured a good water supply to the soil, and flowering was both quick and successful due to the onset of heat and brief drought, which meant that problems with compact grapes could be expected later on. The harvest started about a week earlier than the long-term average, but somewhat later than last year. Due to the onset of rot, it was crucial to time the harvest in the individual vineyards and this increased the difficulty of the grape harvest.

### Characteristics

 peach, apricot, ripe lemon.

 well integrated acidity, intense fruit, spicy finish.

 strong cheese

### Facts

Grape Variety	Roter Riesling
Terroir	Riesling grapes from the best Rheingau vineyard sites
Appellation	Rheingau
Vinifikation	The red Riesling is a variant of the "white" Riesling with red grapes. It is nevertheless pressed as a white wine, since the grape skin does not provide sufficient colorant for red wine production.

Alcohol	Residual Sugar	Acidity
11 %vol	11 g/l	6.3 g/l

### Award

87 - 89 pts. Falstaff

Art.No. KN55-22
