Würzburger Dry Silvaner

Würzburger Dry Silvaner 2023

Producer

The Bürgerspital is one of Germany's largest wine growing estates with 300 acres. It is located in Würzburg, which is part of the Franken region. The estate is a founding member of the VDP association and offers vineyard sites like Würzburger Stein, Stein Harfe (=stone harp) or Würzburger Innere Leiste. They cultivate typical franconian grape varieties like Silvaner, Müller-Thurgau and Bacchus, as well as some classics like Riesling, Pinot Gris and Pinot Blanc.

Vintage report

Due to the high temperatures from May to mid-July, the growth of the vines progressed at a rapid pace. While budbreak was still in line with the long-term average, we were already two weeks ahead of schedule when it came to flowering. The timely recovery phase at the end of July/beginning of August with the long-awaited local rainfall provided relief - but it also required good foliage and soil management. Once again, the harvest went very quickly in picture-book weather. The reward for all our efforts and the most important result of the past vegetation were perfectly healthy and physiologically ripe grapes that could be harvested just right. With the 2023 vintage, we can seamlessly build on the top quality of recent years.

Characteristics

 mirabelle, hints of mint

 hearty, fruity

 fish, seafood, asparagus, salads

Facts

Grape Variety	Silvaner
Terroir	shell limestone soil
Appellation	Franconia
Vinifikation	short maceration time, fermentation and ageing in stainless steel

Alcohol	Residual Sugar	Acidity
13 %vol	2.7 g/l	6.1 g/l

Award

90 P. Falstaff

Art.No. BG51-23
