Würzburger Scheurebe Kabinett medium-dry

## Würzburger Scheurebe Kabinett medium-dry semidry 2022

### Producer

The Bürgerspital is one of Germany's largest wine growing estates with 300 acres. It is located in Würzburg, which is part of the Franken region. The estate is a founding member of the VDP association and offers vineyard sites like Würzburger Stein, Stein Harfe (=stone harp) or Würzburger Innere Leiste. They cultivate typical franconian grape varieties like Silvaner, Müller-Thurgau and Bacchus, as well as some classics like Riesling, Pinot Gris and Pinot Blanc.

### Vintage report

Thanks to sustainable management, the soils of our vineyards have very high humus contents and predominantly older vines. This meant that the dry and hot vegetation period was mastered without any problems and without stress for the vines. As a result, 2022 produced perfectly healthy and ripe grapes – the basic requirements for crystal-clear characteristics of the grape variety, and a distinctive characteristics of each vineyard site, and therefore guarantee for great vintage.
