Johannisberg G Riesling Kabinett

Johannisberg G Riesling Kabinett 2008

Producer

The traditional estate is owned by the Eser family and located in the Rheingau region. They're a member of the VDP association and the CHARTA group.

Vintage report

The harvest began in mid-October and was completed quite quickly due to the stagnating must weights during the harvest. However, the grapes harvested, which were around 30% below the 2007 harvest volume, were healthy and produced very beautiful, pure, fruity Rieslings.
