

## Carl Graff Riesling QBA 2024

### Producer

Carl Graff is one of the main brands from Valckenberg and presents Riesling wines from famous vineyard sites of the Mosel region, like Graacher Himmelreich

### Vintage report

The harvest began in September. Where the Riesling came through the frost well or the second generation of grapes was ripe, it was soon possible to harvest. In general, however, the frost delayed the harvest and reduced yields. In addition, the grapes had to be carefully selected during the harvest, because: Any problem that exists in the vineyard does not become a problem in the cellar if you leave it outside. But what we were able to bring home has a beautiful aroma. It will be an exciting vintage."
