

Cuvée Zero 0.0

Producer

Valckenberg has further developed its Zero line and raised it to a new level. On the one hand, the innovative traditional house has launched a high-quality Riesling that not only meets the requirements for alcohol-free wine, but also sets new standards with an alcohol content of 0.0%. A real experience for anyone who wants to do without alcohol completely - but not without good taste.

Characteristics

 apple, citrus

 lively, mousseaux

 solo, aperitif, festive events
