

Zero Cuvée Sparkling 0.0

Producer

For over 230 years, P.J. Valckenberg has discovered exceptional German wineries and served as a brand ambassador for German wines. With the "Zero" line, Valckenberg expands its product portfolio with a non-alcoholic sparkling wine for a casual and enjoyable evening. The line is completed with a non-alcoholic still wine made from the Riesling grape variety, also without alcohol, under "Valckenberg Zero Wine".
