

Schlossberg Pinot Bianco 2023

Producer

For almost a century, the grapes from the vineyards were delivered to the Neumarkt cooperative, of which the family was a founding member, and which was once housed in the winery's old cellar. Since 2015, Anton Felix has been making wines as his own cellar master under his own family name - independently of the cooperative, which has since been merged into Tramin.

Vintage report

The 2023 vintage from Schlossberg shows vibrant freshness, citrus notes, and depth from 12 months on the lees. This Pinot Bianco reflects its alpine terroir with clarity and precision.

Characteristics

 Citrus fruit, alpine herbs;

 structured and fresh with long mineral finish.

 seafood, fisch, white meats, chicken
