

Wehlener Sonnenuhr Riesling Spätlese 2009

Producer

The famous wine estate Joh. Jos. Prüm was founded in 1911 in Wehlen, on the Mosel. It is one of the most unique white wine producers in Germany.

Vintage report

After a remarkably cold winter, summerlike temperatures in April made for a growth spurt, causing budbreak about two weeks earlier than usual. While June and July brought a good amount of rain, August and September were very dry and sunny. Despite a bit of rain in early October, this month brought above-average sunshine and moderate temperatures. This is a fantastic pre-condition for harvest, which started on October 15 and finished on November 13.
