

Riesling dry 2017

Producer

The young, dynamic family owned estate has its roots in the wineregion Palatine. On 20 hektar, they are cultivating mostly Riesling, Pinot Blanc and Pinot Gris

Vintage report

For many German vintners heat, drought and hail marked the growing season. By and large, however, we were very lucky: only a few vineyards were hit by little frost and have recovered well. Harvest was extremely early, they started picking 2nd of September and finished only four weeks later. The grapes registered good acidity levels and pleasing aroma profiles, promising appealing and expressive wines.
