Juliuspital Müller-Thurgau

Juliuspital Müller-Thurgau dry 2017

Producer

The oldest wine cellar in Würzburg, dating from 1576 with its 250 metre long corridor, is still the heart of the wine production in the Juliuspital. In the large wooden barrels, 220 in total, mature wines from the most valuable vineyards in Franconia.

Vintage report

The year 2017 brought different challenges. The shoot started unbelievably early; and unfortunately, Juliuspital had damage due to late frost at the end of April. Heavy rainfall during the summer months saved the growth but then at the beginning of August a hailstorm badly hit the Würzburger Stein. The Juliuspital team experienced the earliest harvest ever in the Franconian region. The unstable weather conditions during harvest put a lot of pressure on our time management. But in the end, it paid off. They received all the qualities from juicy, brilliant and elegant to mineral, very structured and full-bodied in the cellar.

Characteristics

-  floral bouquet, aroma of yellow apple
-  juicy with aromas of ripe fruits, lively acidity
-  fish, white meat, salads

Facts

Grape Variety	Müller-Thurgau
Terroir	different vineyard sites located in the Franken region
Appellation	Franconia
Vinifikation	selected grapes with high quality level, cold fermentation in stainless steel tanks by 16- 18 C° and ageing on it's yeast

Alcohol	Residual Sugar	Acidity
12 %vol	4.4 g/l	6.3 g/l

Art.No. JU11-17
