Juliuspital Scheurebe

Juliuspital Scheurebe semidry 2018

Producer

The oldest wine cellar in Würzburg, dating from 1576 with its 250 metre long corridor, is still the heart of the wine production in the Juliuspital. In the large wooden barrels, 220 in total, mature wines from the most valuable vineyards in Franconia.

Vintage report

The winter season was cold and damp, also unusual long. The shoot started very early, so did the bloom. The vines gained a boost of vegetation; this lead of approximately two or three weeks will last till the harvest. From the beginning of June, the year was very hot and extremely dry. On the one hand perfect conditions for a healthy vintage but on the other hand Juliuspital only had rainfalls with thunderstorms. At 20th of August - unbelievable early – they started to harvest.

Characteristics

-  green apple, apricot
-  exotic fruit cocktail, playful aroma composition
-  Asian cuisine, spicy dishes with ginger and chilli

Facts

Grape Variety	Scheurebe
