Riesling

Riesling dry 2017

Producer

Founded in 1136 by cistercien monks, the Kloster Eberbach is producing 238 hectares of the most popular vineyard sites in the Rheingau region

Vintage report

The year started extremely cool with temperatures in the double-digit negative range. However, spring came early in the middle of February and the vines sprouted out early, so flowering happened approx. 14 days before average. After a very wet spring followed a short summer heat period in June and July with a very high humidity. Summer storms and a hailstorm at night on the 1st of August heavily damaged some of the vines. Due to the wet late summer and autumn, the risk of rot increased. Because of this, the harvest started earlier this year than ever before. On August 1st the first grapes were harvested.

Characteristics

-  strong apple and peach note
-  delicate fruit, juicy and full-bodied
-  fish dishes, asparagus, salads
