Steinberger 'Crescentia' Riesling

## Steinberger 'Crescentia' Riesling dry 2017

### Producer

Founded in 1136 by cistercien monks, the Kloster Eberbach is producing 238 hectares of the most popular vineyard sites in the Rheingau region

### Vintage report

The year started extremely cool with temperatures in the double-digit negative range. However, spring came early in the middle of February and the vines sprouted out early, so flowering happened approx. 14 days before average. After a very wet spring followed a short summer heat period in June and July with a very high humidity. Summer storms and a hailstorm at night on the 1st of August heavily damaged some of the vines. Due to the wet late summer and autumn, the risk of rot increased. Because of this, the harvest started earlier this year than ever before. On August 1st the first grapes were harvested.

### Characteristics

-  fruity bouquet of citrus and apricot fruits
-  elegant, very balanced in acidity and minerality
-  fondue, fresh cheese, oysters and other seafood

### Facts

Grape Variety	Riesling
Terroir	Steinberger (monopole), sandy loess-loam soil with stony slate soil in the upper part, south to south-west exposure facing slope
Appellation	Rheingau
Vinifikation	Single bow

Alcohol	Residual Sugar	Acidity
11.5 %vol	8.8 g/l	6.8 g/l

Art.No. ST51-17
