

## Johannisberg 'Auf der Höll' 1st Growth dry 2016

### Producer

The traditional estate is owned by the Eser family and located in the Rheingau region. They're a member of the VDP association and the CHARTA group.

### Vintage report

For the winemakers, 2016 was a year with mixed emotions. The extreme and contrasting weather conditions presented many challenges. The protection of the vines during the summer was particularly difficult and required constant attention and rapid action. In late summer, there was dry, sunny weather which allowed a good grape development along with a rapid increase in mass. The patience required to let the grapes mature fully on the vine paid off and the Johannishof estate is delighted with a high quality harvest with aromatic grapes.
