

Biodynamite 2020

Producer

The biodynamic estate from winemaker Alex Pflüger cultivates on 40 hectares the best vineyard sites of the wine region Palatine

Vintage report

The 2020 vintage was a special gift in these times: The warm and dry summer resulted in perfectly ripe and healthy grapes. The 2020 vintage began in the last week of August with Pinot and Riesling grapes for our sparkling wines, followed by Sauvignon Blanc. The pleasant and warm days in September made the grape harvest and vinification a real pleasure. At the end of September we were able to finish the harvest with the last Riesling grapes. The 2020 wines are already surprising us with an amazing variety of aromas and the first bottlings are balanced and complex.
