

Graacher Himmelreich Riesling Auslese 2020

Producer

The famous wine estate Joh. Jos. Prüm was founded in 1911 in Wehlen, on the Mosel. It is one of the most unique white wine producers in Germany.

Vintage report

The 2020 vintage began with a mild winter, but also with good humidity. Bud break and flowering occurred early in April/June and the summer lasted until September. Overall, this vintage had more hours of sunshine than ever before. The grape harvest began on September 17 and ended on October 21. The grapes were healthy, had moderate sugar content and good acidity. All predicates from Kabinett to TBA were harvested and the quantities were better than in 2019.
