

## Juliuspital Silvaner dry 2021

### Producer

The oldest wine cellar in Würzburg, dating from 1576 with its 250 metre long corridor, is still the heart of the wine production in the Juliuspital. In the large wooden barrels, 220 in total, mature wines from the most valuable vineyards in Franconia.

### Vintage report

As in previous years, the 2021 wine year got off to its usual mild start. In mid-February, the thermometer reached double-digit frost temperatures with minus 17° Celsius. Fortunately, however, the vines were unimpressed. The frequent and abundant rainfall in June and July required intensive foliage work and plant protection measures. In these weather conditions, downy mildew and powdery mildew spread rapidly. Cool nights and sunny, not too hot days in September and October promoted the ripening and development of aromas. The grape harvest began in mid-September.

### Characteristics

 pear, apple, hints of grapefruit

 slightly herbal, lively acidity

 Allrounder, fish, asparagus

### Facts

Grape Variety	Silvaner
Terroir	different vineyard sites from Franken region
Appellation	Franconia
Vinifikation	selected grapes with high quality standards, cold fermentation at 16 to 18°C in stainless steel tanks and ageing on it's own yeast

Art.No. JU12-21
