

Lemberger Qualitätswein dry 2018

Producer

The Neipperg family owns 32 hectares located in the wineregion Württemberg, which are divided in three monopole sites: Neippberger Schlossberg, Schwaigerner Ruthe and Klingenberg Schlossberg.

Vintage report

The Neipperg estate started the all-too-dry year with a rainy winter. In the spring, nature set a pace as rarely before. After a wonderful but much too dry summer, the starting signal for harvest fell at the beginning of September, earlier than ever before. Contrary to all forecasts, the harvested amount of wine has been very satisfactory. The harvest team picked magnificent grapes with good must weights and moderate acidity.
