Michelsberg Weißburgunder

## Michelsberg Weißburgunder dry 2019

### Producer

The biodynamic estate from winemaker Alex Pflüger cultivates on 40 hectares the best vineyard sites of the wine region Palatine

### Vintage report

The 2019 vintage was again marked by some extremes. Budding in spring was early, and toward the end of May, storms with hail and heavy rain. Harvest started in early September. Because of persistent capricious weather conditions, it dragged on and could finally be ended on October 12. The yield is average, but the quality is special. Elegant wines with fine exotic, intense aromas, a good freshness and juicy ripe acidity.
