

## Mosel Riesling Qualitätswein 2020

### Producer

Carl Graff is one of the main brands from Valckenberg and presents sweet Riesling wines from famous vineyard sites of the Mosel region, like Graacher Himmelreich

### Vintage report

It was the third year in a row that was characterized by prolonged drought. Whether a vineyard was one of the winners or losers this fall therefore depended primarily on the amount of precipitation it received. One advantage of the drought this year was that Moselle vintners had hardly any problems with diseases in the vineyards. This allowed them to harvest grapes that were in good health with moderate acidity. The musts promise very typical Moselle wines with intense aromas and a fruity character.
