

Mosel Riesling Spätlese 2021

Producer

Carl Graff is one of the main brands from Valckenberg and presents Riesling wines from famous vineyard sites of the Mosel region, like Graacher Himmelreich

Vintage report

The prime south-facing vineyards on the Mosel were able to build on old successes this year. While it was often too hot and too dry for them in previous years, they were "particularly favoured" in the significantly cooler and wetter wine year of 2021. This was reflected in the predominantly fruity and refreshing wines. Overall, a fine, clear vintage typical of the Mosel is expected with a lot of minerality. The alcohol levels are also somewhat lower here.
