Vintage report

Vintage 2020 was a special gift in these times: The warm and dry summer lead to perfectly ripe and healthy grapes. Harvest 2020 started in the last week of August with Pinot and Riesling grapes for our sparklings followed by Sauvignon Blanc. The pleasant and warm days in September made grape-picking and vinification a real pleasure. By the end of September we could finish harvest with the last Riesling grapes coming in. The 2020 wines are already surprising us with an amazing range of aromes and the first fillings are balanced and complex.
