

Rosaar Rosé dry 2020

Producer

The passion for viticulture was already laid in the cradle of the two brothers Stephan and Michael Weber by the Wiltinger grandparents. Initially, both brothers took different professional paths, but the care and maintenance of the grandparents' vines was never absent. Studies at the renowned Geisenheim University of Viticulture helped to turn the hobby into a vocation. And so, in 2011, the first of their own wines was bottled.

Characteristics

 wild berries
