Schloss Castell Scheurebe

## Schloss Castell Scheurebe dry 2020

### Producer

The Castell family owns 70 hectares of the finest franconian vineyard sides. The majority is the white variety Silvaner. The terroir is characterized by a continental climate and gypsum skeuper soil, which gives the wines their spicy, strong note.

### Vintage report

A dry and mild winter led to a warm spring and early bud break with unfortunately some uncomfortable cold nights and frost in May. But good conditions in summer with also some rain came to an early harvest, starting in the beginning of September. Warm days and cold nights have been perfect for the aroma ripening. Very happy about healthy and stable in terms of acidity, we taste now very well balanced, developable wines with a high maturing potential.

### Characteristics

 peach, currant

 tangy freshness, aromatic fruitnotes, easy drinkable

 salads, white meat, fish dishes

### Facts

Grape Variety	Scheurebe
Terroir	estate-owned vineyards with character marked by origin
