

Schloss Saarstein Dry Riesling Alte Reben 2021

Producer

Schloss Saarstein is located on a steep slope hill of grey slate, surrounded by the 11 hectares vineyard sites, overlooking the Saar River. The estate owner Christian Ebert takes care of cellar and vineyard all by himself. His wines take profit from the cool microclimate on the Saar and sustainable farming methods.

Vintage report

A very late budding was followed by a wet spring with late flowering. In summer, warm phases alternated with continuous rain. It was difficult to meet plant protection deadlines. In many places there were failures due to Peronospora. The harvest of Pinot Blanc began two weeks later than usual, with healthy grapes and must weights within the norm. The Riesling harvest also did not begin until October 13 and extended until November 5. The weather during the harvest was dry, and the grapes were healthy until the end. Must weights did not reach the level of 2019 or 2020 and acids were slightly higher than usual. All in all, however, it's very satisfactory vintage that has brought typical, fresh, elegant wines.
