

Spätburgunder Qualitätswein dry 2018

Producer

The Neipperg family owns 32 hectares located in the wineregion Württemberg, which are divided in three monopole sites: Neippberger Schlossberg, Schwaigerner Ruthe and Klingenberger Schlossberg.

Vintage report

At the Neipperg estate, the overly dry year began with a rainy winter. In spring, nature set a pace like rarely before. After a beautiful, but far too dry summer, the starting signal for the harvest was given at the beginning of September, earlier than ever before. Contrary to all forecasts, the amount of wine harvested was very satisfactory. The harvest team harvested magnificent grapes with good must weights and moderate acidity.

Characteristics

 berry aroma

 full-bodied, fine fruit, good texture, soft tannins.

 game, beef, pizza, spicy cheeses.

Facts
