UNDONE Pinot Noir

UNDONE Pinot Noir 2021

Producer

The "Undone brand" is owned by the tradehouse Valckenberg and represents in the white wine segment a fruity, lively Riesling and a Pinot Noir for the red wine lovers with dark red fruit aroma.

Vintage report

In retrospect, the winegrowers consider it a stroke of luck that the vines in Rheinhessen sprouted later than usual this year, because the shoots in Germany's largest winegrowing region were spared the night frosts in April. Compared to previous years, the late start of the harvest in mid-September was also a fortunate coincidence, because beautiful September days contributed decisively to the fact that they were able to harvest "a very appealing vintage". Ripening in the cool nights produces fruity wines that offer a wide spectrum of aromas even with moderate alcohol content.
