

Weissburgunder Trocken 2017

Produzent

Das junge und dynamische Familienweingut ist fest im Anbaugebiet Pfalz verwurzelt. Auf 20 Hektar wachsen dominierend weiße Rebsorten wie Riesling, Weiß- und Grauburgunder.

Jahrgangsbericht

For many German vintners heat, drought and hail marked the growing season. By and large, however, we were very lucky: only a few vineyards were hit by little frost and have recovered well. Harvest was extremely early, they started picking 2nd of September and finished only four weeks later. The grapes registered good acidity levels and pleasing aroma profiles, promising appealing and expressive wines.
