

Juliuspital Müller-Thurgau Trocken 2018

Produzent

Der älteste Weinkeller Würzburgs aus dem Jahr 1576 mit seinem 250 Meter langen Korridor ist bis heute das Herzstück der Weinproduktion im Juliuspital. In den großen Holzfässern, insgesamt 220, reifen Weine aus den wertvollsten Weinbergen Frankens.

Jahrgangsbericht

The winter season was cold and damp, also unusual long. The shoot started very early, so did the bloom. The vines gained a boost of vegetation; this lead of approximately two or three weeks will last till the harvest. From the beginning of June, the year was very hot and extremely dry. On the one hand perfect conditions for a healthy vintage but on the other hand Juliuspital only had rainfalls with thunderstorms. At 20th of August - unbelievable early – they started to harvest.

Charaktereigenschaften

floral bouquet, aroma of yellow apple

softly and gentle aroma, juicy with aromas of ripe fruits

fish, white meat, salads

Fakten

Rebsorte	Müller-Thurgau
