Graacher Himmelreich Riesling Auslese

Graacher Himmelreich Riesling Auslese 2013

Produzent

Das berühmte Weingut Joh. Jos. Prüm wurde 1911 in Wehlen an der Mosel gegründet und ist eines der herausragenden Weißweinerzeuger Deutschlands.

Jahrgangsbericht

After a long winter and rather cool and wet spring, June started to bring more sunshine, and flowering happened around mid-June. Mosel enjoyed a beautiful, warm and dry summertime in July and August, which developed the ripening very positively. September, again, was only average in temperatures, so the ripening continued rather slowly. When picking started on October 23rd, all vineyards had been affected by botrytis. At record speed, harvest was finished on November 11th. All grapes harvested had such high Oechsle levels and beautiful botrytis, that this turned out to be a truly special Auslese vintage.
