

Würzburger Riesling Kabinett Halbtrocken 2017

Produzent

Das über 700 Jahre alte Stiftungsweingut Bürgerspital bewirtschaftet auf seinen 120 Hektar Silvaner, Müller-Thuragu und Riesling, die typischen Weine aus der Region Franken. Abgefüllt werden die edlen Tropfen in den traditionellen Bocksbeutel, welche Lagen wie die Monopollage Würzburger Stein-Harfe oder die VDP Erste Lage Würzburger Stein glänzen lässt.

Jahgangsbericht

The vegetation started early. Summer temperatures were warm, and the rainfall was adequate. With hard skilled work in the vineyards, utilizing perfect canopy management and reduced yields Bürgerspital was prepared for all uncertainties and on August 15th another hailstorm struck and went over the Würzburger Stein! Despite all that, the quality of the grapes was already ripe and by the beginning of September they were able to start picking the grapes and finishing on 5th October. The earliest and fastest harvest ever recorded at Bürgerspital!
