

## Bernkasteler Badstube Riesling Spätlese 2017

### Produzent

Das berühmte Weingut Joh. Jos. Prüm wurde 1911 in Wehlen an der Mosel gegründet und ist eines der herausragenden Weißweinerzeuger Deutschlands.

### Jahgangsbericht

After an early start of the vegetation, a cold period in April and May with frosty nights interrupted the speedy start of the season and caused losses in some vineyards. The warm, sunny weather that followed up pushed the growing again in May till mid of July. In September, the ripening process slowed down by a humid, cool period. A golden October allowed well ripened grapes from Kabinett to TBA concentration to be harvested early, at very fortunate weather conditions.
