

Wehlener Sonnenuhr Riesling Spätlese 2019

Produzent

Das berühmte Weingut Joh. Jos. Prüm wurde 1911 in Wehlen an der Mosel gegründet und ist eines der herausragenden Weißweinerzeuger Deutschlands.

Jahrgangsbericht

After a mild start with a mixture of dry and rosy days, the months June, July and August brought high temperatures, with a peak of a remarkable 39.5°C. The rainfall in July helped to prevent damage from drought stress. A greater challenge for the winegrowers was damage caused by sunburn. Nevertheless, the ripening in the last decade of September had progressed so speedily that they already began to harvest a ripe vintage with good acidity and high extract. Even if the quantities were more moderate, the excellent taste, a fine spiciness, good acidity and a rich offer of different. Prüm is looking forward to an impressive vintage with fine acidity and great potential.
