Juliuspital Bacchus

Juliuspital Bacchus Halbtrocken 2017

Produzent

Der älteste Weinkeller Würzburgs aus dem Jahr 1576 mit seinem 250 Meter langen Korridor ist bis heute das Herzstück der Weinproduktion im Juliuspital. In den großen Holzfässern, insgesamt 220, reifen Weine aus den wertvollsten Weinbergen Frankens.

Jahgangsbericht

The year 2017 brought different challenges. The shoot started unbelievably early; and unfortunately, Juliuspital had damage due to late frost at the end of April. Heavy rainfall during the summer months saved the growth but then at the beginning of August a hailstorm badly hit the Würzburger Stein. The Juliuspital team experienced the earliest harvest ever in the Franconian region. The unstable weather conditions during harvest put a lot of pressure on our time management. But in the end, it paid off. They received all the qualities from juicy, brilliant and elegant to mineral, very structured and full-bodied in the cellar.

Charaktereigenschaften

-  apricot, ripe banana, apple
-  juicy, animating acidity,
-  green curry, sushi, raw fish dishes

Fakten

Rebsorte	Bacchus
Terroir	different vineyard sites located in the Franken region
Appellation	Franken
Vinifikation	selected grapes with high quality level, fermentation in stainless steel tanks for around 30 days by 16- 18 C°

Alkoholgehalt	Restsüße	Säuregehalt
11.5 %vol	12.6 g/l	6.6 g/l

Art.Nr. JU31-17
